1 4. On February 8, 2019, the ATF Las Vegas Field Office was first informed of the
2 aforementioned thefts and thereby commenced an investigation, in conjunction with the Las
3 Vegas Metropolitan Police Department (LVMPD) Crime Gun Intelligence Center (CGIC).
4 It should be noted that all of the firearms identified as a “silencer” or a “machine gun” or an
5 “SBR” are firearms required to be registered in the National Firearms Registration and Transfer
6 Record.

7 5. It should be noted that the SHOT Show requires FFLs to either disable or
8 remove the firing pins from all displayed firearms prior to them entering the Sands Expo
9 Center.

10 6. On February 9, 2019, the ATF issued an FFL Alert to licensees located within
11 Clark County, Nevada. The FFL Alert requested licensees to be attentive for any individuals
12 seeking gunsmithing services or, more specifically, firing pins.

13 7. On February 10, 2019, C.M., the owner/manager of Gun Shop Las Vegas, an
14 FFL located at 2980 St. Rose Pkwy., Ste. #130, Henderson, NV 89052, contacted the ATF Las
15 Vegas Field Office in reference to the aforementioned FFL Alert. C.M. advised that, on
16 February 9, 2019, three individuals, further described as being a Hispanic male adult (HMA), a
17 black male adult (BMA), and a black female adult (BFA), entered his business. C.M. further
18 advised that the HMA purchased a Mossberg & Sons, Model Maverick 88, 12-gauge shotgun,
19 serial number MV0334608. Upon acquiring a copy of the ATF Firearms Transaction Record
20 (ATF Form 4473) in reference to said transaction, the HMA was identified as Eduardo
21 LIMON.

22 8. C.M. advised that the BMA and LIMON inquired about a firing pin for an AR-
23 style firearm. C.M. asked whether they had lost or broken the firing pin, to which LIMON and
24 the BMA replied they were told by an associate that the firing pin needed to be replaced when it

1 was cleaned. Based upon this conversation, C.M. arrived at the conclusion that the individuals
2 were unfamiliar and/or new to firearms. C.M. advised that he inquired as to what LIMON did
3 for a living, to which LIMON replied that he worked at shows and conventions. C.M. asked
4 LIMON if he worked at the SHOT Show, to which LIMON replied in the affirmative.

5 9. In addition to the aforementioned shotgun, LIMON also purchased a MAGPUL
6 PMAG 20-round AR-10 magazine.

7 10. The unidentified BMA purchased .223 caliber ammunition, a MAGPUL PMAG
8 40-round magazine, a MAGPUL PMAG 30-round Gen 2 magazine, and a MAGPUL MOE
9 M-LOK MVG Grip, all paid for in cash.

10 11. During a follow-up investigation, ATF Agents and CGIC Detectives reviewed
11 surveillance footage from Gun Shop Las Vegas in reference to the aforementioned encounter.
12 The surveillance footage showed a black Chevrolet Impala arrive in front of the business and
13 the previously mentioned three individuals subsequently exit the vehicle and enter the business.
14 The Chevrolet Impala in question had apparent chrome door handles and was missing a front
15 license plate.

16 12. On February 11, 2019, ATF Special Agent ("SA") G. Painton conducted a
17 canvass of the apartment complexes located in the vicinity of Gun Shop Las Vegas. During
18 said canvass, SA Painton observed a black Chevrolet Impala with chrome door handles and a
19 missing front license plate parked at The Pearl Apartments, located at 10250 Spencer St., Las
20 Vegas, NV 89183. A query of the rear license plate (NV# GK D022) returned results showing
21 the registered owner to be Jamikko FOSTER. Upon reviewing a Nevada Department of Motor
22 Vehicles (DMV) photograph of FOSTER, agents positively identified him as being the
23 unidentified BMA who entered Gun Shop Las Vegas two days prior.
24

13. On February 11, 2019, ATF SA M. LaRusso contacted Freeman Co., who is contracted with the National Shooting and Sports Foundation (NSSF), which organizes and operates the SHOT Show every year, in reference to obtaining a Payroll Report for Freeman employees who worked the 2019 SHOT Show. More specifically, SA LaRusso sought information about those employees on Freeman Company's payroll between January 25, 2019 and January 27, 2019, as this was the timeframe during which it was believed the theft of 52 firearms from Remington Arms occurred. A Freeman Company payroll roster listed Jamikko FOSTER as having been paid for eight hours. The payroll roster also listed FOSTER's corresponding Task Number as # 005, which is the task number utilized to identify the following: Exhibit Freight Fork Operator, Ground Guy, Pusher, Airfreight, Small package, Foreman, Supervisors, Leads.

14. On February 11, 2019, Freeman Co. provided SA LaRusso with copies of the Freight Crew sign-in sheets during the timeframe of January 25, 2019, and January 27, 2019. A timesheet dated January 25, 2019, listed Jamikko FOSTER as having worked during the timeframe of 2300 – 0758 hours, with a half hour lunch break.

15. On February 11, 2019, LVMPD CGIC Detective / ATF Task Force Officer (TFO) T. Chapman obtained state telephonic search warrants for FOSTER's residence, located at 10250 Spencer St., Apt. # 2024, Las Vegas, NV 89183, and vehicle, further described as a 2013 Chevrolet Impala (NV# GK D022; VIN# 2G1WC5E37D1209739). ATF and the LVMPD CGIC subsequently served said warrant and recovered the following firearms from FOSTER's residence:

16. On February 12, 2019, LVMPD CGIC Detective / ATF Task Force Officer (TFO) T. Chapman obtained a state telephonic search warrant for Eduardo LIMON's residence, located at 7990 Crowder St., Las Vegas, NV 89139. ATF and the LVMPD CGIC subsequently served said warrant and recovered the following firearms from LIMON's residence:

| <u>MAKE</u> | <u>MODEL</u> | <u>CAL.</u> | <u>TYPE</u> | <u>SERIAL #</u> | <u>FFL</u> |
|--------------------------|------------------------|-------------|-------------|---------------------------|---|
| Tisas-Trabzon Arms Corp. | Regent CC45 M1911-A1C2 | .45 9mm | Pistol | T0620-17BU00006 CIT029778 | LKCI, Ltd. [This firearm was reported stolen by Legacy Sports Intl. under LVMPD Event # 170117-0759] |

| Maverick Arms | 88 | 12 gauge | Shotgun | MV0334608 | [LIMON purchased this firearm from Gun Shop Las Vegas on 02.09.19] |

1 17. One of the pistols had a clamp attached to a security cable, which was still
2 attached to the trigger guard. The cable was cut approximately one inch from the trigger guard.
3 Based on your Affiant's training and experience, this would give any reasonable person
4 knowledge or reasonable cause to believe that said firearm had been recently stolen.

5 18. SA LaRusso, based on his completion of the ATF Interstate Nexus Training
6 Program in 2012 and the ATF Advanced Interstate Nexus Training Program in 2015, is of the
7 opinion that the aforementioned firearms have been previously shipped and/or transported
8 interstate, thereby affecting interstate commerce.

9 19. On February 12, 2019, SA LaRusso contacted ATF Industry Operations
10 Investigator (IOI) J. Han, who conducted queries of FOSTER and LIMON in the ATF
11 National Firearms Registration and Transfer Record (NFRTR), which returned negative results
12 reference having any National Firearms Act (NFA) firearms registered in their name.

13 20. Based on the foregoing, your Complainant believes that there is probable cause to
14 believe that, on or about February 12, 2019, Eduardo LIMON committed the offenses of
15 Possession of a Stolen Firearm, in violation of Title 18, United States Code, Sections 922(j) and
16 924(a)(2); and Possession of an Unregistered Firearm, in violation of Title 26, United States
17 Code, Sections 5841, 5861(d), and 5871.
